The rainfall during the month of August as shown by the record at Waiakea on the 25th was 16.6 inches.

P. Peck, R. T. Guard and A. C. Me.

Captain Fetter of N. G. H. were all initiated into the mysteries of Elkdom last Monday night.

At the meeting of the Republican precinct club Wednesslay night, it was decided to send uninstructed delegations from this district. The delegates are asked to secure certain changes in the voting places in the Waiakea and Olas words of the establishment of a McKinley Memorial Park. If the people in general and a few in particular will fall into line it is possible that the finest McKinley Memorial west of San Francisco may be located at Hilo, Hawaii. It is proposed to make it easy for the extension to be made.

Should the right of way be secured. Bridge street will be open from the river from this district. The delegates asked to secure certain changes in the whole of Hoolulu park and transform to voting places in the Waiakea and Olaa into a suitable memorial to our late President and in addition make it the most dent and in addition make it the most dent and play ground popular free park and play ground in Hawaii. To do this will not require much more money than has already been subscribed. Such an opportunity to bring Hilo into prominence has not been offer-ed and will not present itself again very soon. The names of those who stand ready to give the idea a \$5000 boost are not made public at present. But if the people of Hilo wish to acquire a permanent place of recreation and at the same time render appropriate honor to a maryred president the opportunity is

street again in a few hours.

The cause of the trouble was a crossing of the wires, by which the primary current was carried to the wrong line.

Was in Hilo several weeks ago, the property owners in the line of the proposed extension of Bridge street have known that the government wants to put the street through as early as possible. They have known that the government is ready to meet them liberally in the matter of damages for the condemnation of their property for public purposes. Some have met the proposal of the Territory gener-ously and show a spirit that will not block an improvement so essential to the

Bridge street will be open from the river to Volcano street before the close of the

This extension means also the grading and macadamzing of King street. It is now strictly within the power of a few owners of real estate in Hilo to block or promote the continuance of public im provements in the town which will transform it from a deserted seaside bog, to a

well paved and delightful city.

Should these property owners prove obdurate and insist upon unreasonable compensation for the few feet of ground necessary for the street extension, the money available now and in the near future will, in all liklihood, be spent lsewhere. When Hilo finds Uncle Sanford in a generous and spending mood, she should accept the outstretched hand with business like avidity.
